- the number of options granted under this authorization shall not entitle the holder to purchase or subscribe for more than 4,023,640 shares with a nominal value of 0.05 euro each,
- this number shall be deducted from the overall ceiling referred to in the Twenty-eighth resolution below, and
- the options granted to corporate officers and executives, members of the executive committee will be subject to (i) performance conditions (i.e. 1/3 if the Company reaches a certain level of cash position, 1/3 if a clinical and/or regulatory target is met and 1/3 if a manufacturing target is met), (ii) a vesting period with a three (3)-year cliff, pursuant to which no Option shall vest prior to the third (3rd) anniversary of the date of grant. On such date, the Options corresponding to the performance conditions effectively achieved as of such third (3rd) anniversary shall vest, it being specified that (a) if all performance conditions are achieved, 100% of the Options shall vest, (b) if only certain performance conditions are achieved, only the corresponding portion of the Options shall vest on a proportional basis, and (c) any portion of the Options subject to performance conditions that are not achieved as of such date shall be automatically forfeited and cancelled without compensation; provided, however, that the Board of Directors shall have the right to provide, if applicable, in the event of a change of control of the Company, for an acceleration of such vesting, in whole or in part. and (iii) if applicable, any policy adopted by the Board of Directors in this regard in accordance with applicable regulations, including, in particular, the rules adopted by Nasdaq in the United States relating to the granting of supplementary compensation and incentive instruments to executives on the basis of erroneous financial statements ("clawback policies"), it being specified that the Board of Directors shall have the right to provide, if applicable, in the event of a change of control of the Company, for an acceleration of the vesting, in whole or in part,
- for the other employees, the options will have an exercise schedule of at least over three years (i.e. at least part of the options granted will not be exercisable until the third anniversary of their grant), the Board of Directors having the option, however, to provide for an acceleration of all or part of the exercise schedule in the event of a change of control of the Company,
- the total number of shares which may be subscribed upon exercise of the share subscription options granted and not yet exercised may never exceed one third of the share capital,

specifies that the Board of Directors must, if the Company's shares are admitted to trading on the regulated market of Euronext in Paris, comply with the provisions of Article L. 22-10-58 of the French

Commercial Code in order to be able to grant share subscription or purchase options to the Company's managers referred to in the fourth paragraph of Article L. 225-185 of the French Commercial Code,

resolves that this authorization is granted for a period of twelve (12) months as from this date and terminates any previous authorization having the same purpose,

resolves that this authorization includes, in favor of the beneficiaries of the subscription options, an express waiver by the shareholders of their preferential subscription right to the shares that will be issued as and when the subscription options are exercised, and will be implemented under the conditions and in accordance with the procedures provided for by the law and regulations in force on the day of the granting of the purchase or subscription options, as applicable,

resolves that the purchase or subscription price per share shall be set by the Board of Directors on the day the option is granted in accordance with the provisions of Article L. 225-177 of the French Commercial Code and shall be at least equal to the highest closing price of a share of the Company on Euronext Growth Paris and on Nasdaq or any other market on which the Company's shares are traded (including, as the case may be, in the form of American Depositary Shares) prior to the date of the decision of the Board of Directors to grant the options, without in any event being less than ninety-five percent (95%) of the average quoted price of a share of the Company on Euronext Growth Paris and on Nasdaq or any other market on which the shares of the Company would then be listed (including, if applicable, in the form of American Depositary Shares) during the twenty (20) stock market sessions preceding the date of the Board of Directors' decision to grant the options, it being specified that when an option allows its beneficiary to purchase shares that have already been purchased by the Company, its exercise price, without prejudice to the foregoing clauses and in accordance with the applicable legal provisions, may not be less than 80% of the average price paid by the Company for all of the shares that it has previously purchased,

resolves that the price set for the subscription or purchase of the shares to which the options give the right may not be modified during the term of the options, it being specified however that if the Company were to carry out one of the transactions referred to in Article L. 225-181 of the French Commercial Code, it would have to take the necessary measures to protect the interests of the option beneficiaries under the conditions set out in Article L. 228-99 of the French Commercial Code,

resolves that, should it be necessary to make the adjustment provided for in Article L. 228-99 3° of the French Commercial Code, the adjustment will be performed by applying the method provided for in Article R. 228-91 of the French Commercial Code, it being specified that the value of the preferential subscription right as well as the value of the share before detachment of the subscription right will, if necessary, be determined by the Board of Directors based on the subscription, exchange or sale price per share used for the last transaction involving the Company's capital (capital increase, contribution of securities, sale of shares, etc.) during the six (6) months prior to the meeting of the said Board of Directors or, if no such transaction is carried out during this period, according to any other financial parameter which appears relevant to the Board of Directors (and which will be validated by the Company's auditors),

resolves that in the event of the issuance of new equity securities or new securities giving access to the capital as well as in the event of a merger or demerger of the Company, the Board of Directors may suspend the exercise of the Options, if applicable,

sets the period of validity of the options at ten (10) years from the date of grant, it being specified, however, that this period may be reduced by the Board of Directors for beneficiaries resident in a given country to the extent necessary to comply with the law of that country,

grants full powers to the Board of Directors within the above limits to:

- determine the identity of the beneficiaries of the stock options and the number of options to be granted to each of them,
- set the purchase and/or subscription price of the shares to which the options entitle the holder within the limits of the aforementioned texts, it being specified that the subscription price per share must be higher than the nominal value of the share,

- ensure that the number of stock options granted by the Board of Directors is set in such a way that the total number of stock options granted and not yet exercised cannot give the right to subscribe to a number of shares exceeding one third of the share capital,
- determine the terms of the stock option plan and to set the conditions under which the options will be granted, including, in particular, the timetable for exercising the options granted, which may vary according to the holders; it being specified that these conditions may include clauses prohibiting the immediate resale of all or part of the shares issued on exercise of the options, within the limits set by law,
- acquire the shares of the Company, if necessary, in order to sell any shares to which the stock options entitle the holder,
- carry out, either themselves or through an agent, all acts and formalities for the purpose of finalizing the capital increases which may be carried out by virtue of the authorization that is the subject of this delegation,
- charge, if it deems necessary, the costs of the capital increase against the amount of the premiums relating to these increases and deduct from this amount the sums necessary to bring the legal reserve to one tenth of the new capital after each increase,
- amend the Bylaws accordingly and in general do all that is necessary.

specifies that the Board of Directors may, within the limits it has previously set, sub-delegate the powers granted to it under this resolution in accordance with the applicable legal and regulatory provisions,

resolves that the Board of Directors shall inform the Ordinary General Meeting each year of the transactions carried out under this resolution.

Twenty-seventh resolution

Authorization to be granted to the Board of Directors to proceed with free allocations of ordinary shares of the Company, to the benefit of employees and/or corporate officers of the Company and its subsidiaries, entailing the waiver by the shareholders of their preferential subscription rights.

The General Meeting, voting under the quorum and majority conditions required for extraordinary general meetings,

having reviewed the report of the Board of Directors and the Statutory Auditors' report,

in accordance with the provisions of Article L. 225-197-1 et seq of the French Commercial Code,

authorizes the Board of Directors to make one or more free allocations of existing shares or shares to be issued by the Company to employees of the Company, or certain categories of employees, and/or to its corporate officers who meet the conditions set out in Article L. 225-197-1, II of the French Commercial Code, as well as to the benefit of the employees of companies or economic interest groups in which the Company holds, directly or indirectly, at least 10% of the capital or voting rights on the date of allocation of the shares concerned,

specifies that, should the Company's shares be admitted to trading on the regulated market of Euronext in Paris, the Board of Directors must comply with the provisions of Article L. 225-197-6 of the French Commercial Code in order to be able to grant free shares to corporate officers who meet the conditions set out in Article L. 225-197-1, II of the French Commercial Code,

resolves to set at 4,023,640 shares with a unit nominal value of 0.05 euro the total number of shares that may be allocated free of charge by the Board of Directors by virtue of this authorization, it being specified that (i) the total number of shares allocated free of charge by the Board of Directors may never exceed the overall limit of the Company's existing share capital on the date of the decision to allocate

them provided for in article L. 225-197-1 of the French Commercial Code, (ii) this number will be counted against the overall ceiling provided for in the Twenty-eighth resolution below, and (iii) the shares that may be granted to corporate officers and senior managers, members of the executive committee of the Company, must be subject to performance conditions (i.e. 1/3 if the Company reaches a certain level of cash position, 1/3 if a clinical and/or regulatory target is met and 1/3 if a manufacturing target is met), taking into account, if applicable, any policy adopted by the Board of Directors in this regard in accordance with applicable regulations, including, in particular, the rules adopted by Nasdaq in the United States relating to the granting of supplementary compensation and incentive instruments to executives on the basis of erroneous financial statements ("clawback policies"),

resolves that the allocation of the shares to their beneficiaries shall be definitive, subject to the fulfilment of any conditions or criteria set by the Board of Directors, at the end of a period of at least three (3) years (the "Vesting Period") and that the beneficiaries of these shares shall, where applicable, retain them for a period set by the Board (the "Retention Period") which, together with the Vesting Period, may not be less than three (3) years, it being specified that the Board of Directors shall have the right to provide, if applicable, in the event of a change of control of the Company, for an acceleration of the Vesting Period and the Retention Period, in whole or in part, without the latter being less than one (1) year and the Retention Period combined with that of the Vesting Period being less than two (2) years,

resolves, notwithstanding the above, that the shares will be definitively allocated before the end of the Vesting Period in the event of the beneficiary's disability corresponding to the classification in the second and third categories provided for in Article L. 341-4 of the French Social Security Code,

resolves that the shares allocated will be freely transferable in the event of a request for allocation made by the heirs of a deceased beneficiary or in the event of the beneficiary's disability corresponding to their classification in the aforementioned categories of the French Social Security Code,

resolves that the duration of the Vesting Period and the Retention Period shall be set by the Board of Directors within the above-mentioned limits,

notes that, in accordance with the provisions of Article L. 225-197-1 of the French Commercial Code, when the allocation concerns shares to be issued, this authorization automatically entails in favor of the beneficiaries of the shares allocated free of charge the waiver by the partners of their preferential subscription right to the new shares issued, the corresponding capital increase being definitively completed by the sole fact of the definitive allocation of the shares to the beneficiaries,

notes that this decision entails, insofar as necessary, the waiver by the partners in favor of the beneficiaries of free shares of the part of the reserves, profits or premiums which, if applicable, will be used in the event of the issue of new shares at the end of the Vesting Period, for the realization of which all powers are delegated to the Board of Directors,

delegates to the Board of Directors all powers to:

- record the existence of sufficient reserves and transfer the sums necessary to pay up the new shares to be allocated to an unavailable reserve account at the time of each allocation,
- determine the identity of the beneficiaries of the grants as well as the number of free shares which may be granted to each of them,
- set the conditions and, if applicable, the criteria for the allocation of these shares,

if applicable:

- decide, at the appropriate time, on the capital increase(s) corresponding to the issue of any new shares allocated free of charge,
- acquire any shares necessary to remit any existing shares allocated free of charge,
- take all appropriate measures to ensure compliance with the retention obligation required of beneficiaries,

- and, in general, to do all that is necessary to implement this authorization within the framework of the legislation in force,

specifies that the Board of Directors may, within the limits it has previously set, sub-delegate the powers granted to it under this resolution, in accordance with the applicable legal and regulatory provisions,

resolves that the Board of Directors will inform the General Meeting each year of the transactions carried out under this resolution, in accordance with the provisions of Article L. 225-197-4 of the French Commercial Code.

sets the period of validity of this delegation at twelve (12) months as from today,

specifies that this delegation of powers supersedes any authorization previously granted for the purpose of allocating free shares in the Company.

Twenty-eighth resolution

Determination of the total amount of the capital increases that may be carried out by virtue of the aforementioned authorization to grant options to subscribe for or purchase shares and the aforementioned authorization to grant free shares

The General Meeting, voting under the quorum and majority conditions required for extraordinary general meetings,

having reviewed the report of the Board of Directors and the auditors' special report,

resolves that the sum of (i) the shares that may be issued or acquired upon exercise of the options granted under the Twenty-sixth resolution above, and (ii) the shares that would be granted free of charge under the Twenty-seventh resolution above, may not exceed 4,023,640 shares, it being specified that the additional amount of shares to be issued to preserve, in accordance with the applicable contractual provisions, the rights of the holders of securities and other rights giving access to shares shall be added to this ceiling.

Twenty-ninth resolution

Amendment of Article 18 of the Bylaws relating to general meetings in order to comply with new legislative and regulatory provisions

The General Meeting, voting under the quorum and majority conditions required for extraordinary general meetings,

having reviewed the report of the Board of Directors,

[...]"

The rest of Article 18 remains unchanged.

MODALITIES OF PARTICIPATION

1. Participation in the meeting

All shareholders, regardless of the number of shares they own, have the right to participate in the meeting.

1.1 Preliminary formalities to be carried out in order to participate in the general meeting

In accordance with article R. 225-85 of the French Commercial Code, shareholders must provide proof of ownership of their shares on the Record Date, i.e. **June 18, 2026** at midnight, Paris time (hereinafter referred to as **D-5**), either in the registered share accounts held on behalf of the Company by its agent, Société Générale, or in the bearer share accounts held by an authorized intermediary.

For registered shareholders, this registration on **D-5** in the registered share accounts is sufficient to enable them to participate in the meeting.

For bearer shareholders, this registration of shares in the account must be evidenced by a certificate of participation issued by the account holder, who will thus provide proof of the shareholder's status as a shareholder. The certificate of participation is established in the name of the shareholder or on behalf of the non-resident shareholder represented by the registered intermediary. The account holder must attach the certificate of participation to the postal or proxy voting form, or to the request for an admission card, and send it to Société Générale (Service Assemblées, CS 30812, 44308 Nantes Cedex 3).

Shareholders may sell all or part of their shares at any time, however if the sale (transfer of ownership) is completed

- **before D-5** – midnight Paris time, the vote expressed by mail, the proxy, the admission card, possibly accompanied by a certificate of participation, will be invalidated or modified accordingly;

The shareholder has the right to participate in the General Meeting:

- either by attending in person,

- or by being represented by the Chairman of the General Meeting.

Any shareholder who has already cast a postal vote, sent a proxy or requested an admission card or a certificate of participation (under the conditions defined in paragraph II of article R.225-85), may no longer choose another method of participation in the Meeting. It is however specified that the shareholder who has voted remotely (by Internet or by using the paper voting form) will no longer be able to vote directly at the meeting or to be represented at the meeting by virtue of a proxy, but will be able to attend the meeting, unless otherwise provided for in the articles of association.

1.2.1 Shareholders wishing to participate personally in the general meeting

The shareholder wishing to attend the general meeting in person must obtain an admission card.

They may obtain an admission card by returning the duly completed and signed single form using the pre-paid reply envelope enclosed with the notice of meeting received by post.

In the latter case, if they have not received their admission card by **June 18, 2026 (D-5 business days)**, they must ask their securities account holder to deliver them a certificate of participation which will enable them to prove their status as shareholders on **D-5** in order to be admitted to the Meeting.

Any request received by **June 22, 2026 (D-3)** at the latest will be taken into account. In order to facilitate the organization of the reception, it would nevertheless be advisable for shareholders wishing to attend the meeting to make their request as soon as possible in order to receive the card in due time.

The shareholders concerned must ask their account holder who manages their securities account to send written confirmation (by mail or fax) to Société Générale, Service des assemblées générales, CS 30812, 44308 Nantes Cedex.

Scanned copies of unsigned proxy forms will not be taken into account.

Only duly signed notifications of appointment or revocation of proxies, completed and received by **June 22, 2026** at the latest, will be taken into account. Moreover, only notifications of appointment or revocation of proxies may be sent to the e-mail address agm@collectis.com, any other request or notification relating to any other subject may not be taken into account and/or processed.

It is reminded that written and signed proxies must indicate the name, first name and address of the shareholder as well as those of the proxy. The revocation of a proxy is carried out under the same formal conditions as those used for its appointment.

It is specified that for any proxy given by a shareholder without indication of a proxy, the chairman of the shareholders' meeting will issue a vote according to the recommendations of the board of directors.

1.2.2.2 Remote voting using the single form

Shareholders who do not attend this meeting in person and who wish to vote by mail or be represented by proxy by giving their proxy to the chairman of the meeting, may:

- **for bearer shareholders:** request this form by letter to the account holder. This request must be received no later than six (6) days before the date of this Meeting, i.e. **June 19, 2026**.

The single postal voting form or proxy form must be returned to the account keeper, who will forward it to Société Générale together with a certificate of participation proving the shareholder's status on **D-5**.

The shareholders will return their forms in such a way that Société Générale can receive them at the latest on **June 22, 2026**.
